<https://www.linkedin.com/in/atigur-rahman-pmp/>

PROFESSIONAL SUMMARY

Strategic IT leader with 20+ years of experience in enterprise, multi-site IT operations, and digital transformation across Real Estate, RMG, FMCG, Publishing, and other diversified group environments. Proven track record of leading three (3) full-cycle ERP implementations as project lead, driving BPR, data migration, and system optimization that align complex technology architectures with business objectives, delivering measurable outcomes in operational efficiency, cost optimization, and revenue growth.

Strong expertise in architecting AI-powered automation, aligning IT with production, Finance, SCM, HR, Sales, and construction operations. Adept at building high-performing global teams, driving Agile/DevOps transformations, IT infrastructure, including servers, networks, cloud, cybersecurity, and data center operations, ensuring high availability and DR readiness. Also implementing modern governance models to ensure scalability, data-driven solutions, compliance, and innovation, while maintaining fast-evolving & future-proof global readiness.

CORE COMPETENCE

- **ERP Development & Implementation:** End-to-end lifecycle delivery, system design, rollout & integration.
- **Strategic IT-Leadership & Governance:** Enterprise IT strategy, digital roadmap, governance, & ROI-driven budget.
- **Digital Transformation & AI Automation:** Generative AI, RPA, predictive analytics, process mining, and data-driven decision systems.
- **Project Management:** PMP, Agile/Scrum, PMO excellence, DevOps practices, & large-scale project execution.
- **Cloud & Infrastructure Management:** AWS, Google Cloud Platform (GCP), hybrid cloud, data centers, CI/CD, Docker, & disaster recovery.
- **Cybersecurity & Risk Management:** Security frameworks, ISO 27001, SIEM, Zero Trust, and incident response.
- **Team Leadership & Financial Management:** Talent development, cross-functional collaboration, vendor management, budgeting, and cost optimization.

WORK EXPERIENCE

Head of IT | Zubion Development Solutions Ltd

Company Business: Real Estate

Oct 2025 - Continuing ..
