### SSC — Science

Lalmonirhat Govt. High School

2013 | GPA: 5.00 / 5.00

## PROJECTS

### Luxury Villa Search

Stack: ASP.NET, PostgreSQL, VS 2026, DBeaver

Property platform with a single point of contact to a vast agent network — manages listings, contracts, payments and client communications.

### BD Hot Deals — User & Admin Portal

Stack: ASP.NET Core, EF Core, Angular, SQL Server 2019

Full-stack deals platform with SPA, role-based admin dashboard, RESTful APIs and real-time deal publishing.

### Computer Shop Management System

Stack: Visual C#, EF, iTextSharp, Metro UI, SQL Server 2017

3-layer desktop app for inventory, sales, billing and PDF receipt generation with a Metro UI interface.

### E-Housing — Housing Rental SPA

Stack: Angular, TypeScript, HTML5, CSS3, ng-bootstrap, Firebase

Single-page rental app with animated UI, dynamic filtering and reactive form validation.

Live: [e-housing-225d5.web.app](#)

## STRENGTHS

- Strong command of modern IT trends; enthusiastic adopter of emerging technologies
- Excellent team collaboration with a constructive, approachable attitude
- Rapid learner — independently onboards new tools and frameworks efficiently
- Proven delivery under pressure; consistently meets tight deadlines
- Positive, curious mindset with a genuine passion for continuous learning
